## Guest Experience Impact & Requirements

### Operational Requirements

To successfully deliver the proposed staycation activations, the following support will be required:

#### Planning & Coordination

- Coordination with Recreation, Beach, Water Sports, and F&B teams for collaborative activities

#### Activity Resources

- Basic materials for creative workshops and activity setup

#### Staffing Support

- Up to 2 casual team members may be needed during peak periods to assist with activity facilitation and supervision

### These enhancements will

- Increase family engagement during the stay.
- Create a vacation camp atmosphere.
- Provide memorable experiences for our little guests.
- Strengthen the value of the staycation offer.
