L 'elixir de Glaciers Majestic Treatment 90 minutes | Starting AED 2,000

Nourishing, sculpting and remodeling treatment for the face and chest. This exclusive treatment combines three different massage protocols with the powerful essence of Gold Sturgeon DNA to stimulate cell regeneration: Stress vanishes thanks to re-mineralizing massage. A lifting, nourishing massage inspired by surgical lifting techniques targets the muscles of the face for toning action that smooths facial lines. The treatment includes a youth massage inspired by the Japanese Kobido massage technique - a traditional art of rejuvenation for Japanese women.

Add on: L'Elixir Des Glaciers Majestic hand treatment 30 min | AED 450

Firmness of the Hills 90 minutes | Starting AED 1,750

This treatment improves the firmness and brings back the bounce to reveal a younger looking face with more defined volume. The ingredients are incredibly potent with voluptuous textures to offer a full 360 approach to skin ageing. A blend of time honored and state of the art ingredients that work together to restore density of the dermis. The collagen mask plumps the tissues and redefines the contours of the face- a true biological facelift!

High Performance *Facials*

Sublime Youth Infusion

105 minutes | Starting AED 1,950

This endogenous de-aging protocol is designed to increase the skin's natural collagen production, instantly plumping the skin while filling-in lines and wrinkles.

A comprehensive skincare ritual is further elevated by encompassing the principles of high-tech Human Tecar methodology which features a face-lifting massage with radiofrequency technology, that strengthens the underlying structure of skin, resulting in firmer, lifted, contoured and sculpted skin with reduced signs of ageing, puffiness, inflammation, fine lines, and furthermore in synergy with the powerful LED therapy to restore the original skin radiance.

Le Grand Pure Collagen

105 minutes | Starting AED 1,850

A comprehensive skin-transforming treatment delivering results comparable to non-invasive aesthetic procedures. It harnesses 92% pure native collagen, marine collagen, peptide technologies, and pure silk and plant-based growth factors to rejuvenate skin. Complexion will appear fuller, firmer, and radiant. The experience is enriched with the application of an infusion of pure serums through oxygen therapy and the LED light therapy. For stressed, dull and aging skin.

High Performance *Body Treatments*

Burj Al Arab Golden Journey

150 minutes | Starting AED 2,750

The ultimate luxury opulence experience combines precious plant stem-cells with colloidal gold to promote DNA repair, while positively affecting the expression of the skin's own sirtuins that regulate the skin's cellular metabolism and aging. A comprehensive fusion of principles encompassing Human Tecar methodology with radiofrequency, powerful LED therapy, synchronized massage movements and techniques, shimmery notes of glossy 24K mist that will leave your skin smooth and revitalized with a sublime glowing luminosity during a 75 minutes facial experience and 75 minutes body massage.
