Discover our aesthetic medicine services, combining the expertise of our professionals with highly advanced and non invasive technologies. We offer personalized treatments to enhance the appearance and well-being of your skin, body, and face, using innovative solutions that ensure natural results without the need for surgical procedures.

Advanced Aesthetic & *Regenerative Anti-Aging Therapies*

BEAUTY COUTURE® ULTIMATE PROTOCOL

by Dr. Chantal Sciuto

from € 1800

Balances the proportions and refreshes the appearance of the face, enhancing your unique identity. A tailor-made protocol, designed after a careful analysis of the bone structure, tissues, ligaments, and habitual mimicry, with precise measurements taken using a platinum caliper.

COLLAGEN REGENERATION

from € 1200

Latest generation poly-L-lactic acid that naturally stimulates the body's own collagen, without causing any inflammation, in a consistent and biological way, for firmer and restructured skin. It does not create new volume or alter contours, and can be used on the face, inner arms, inner thighs, abdomen, and back of the hands.

SKIN QUALITY

from € 300

To revitalize the skin, restore its brightness, freshness, and firmness, direct action on skin quality, stimulating natural regeneration mechanism. A sophisticated, tailored approach for visibly healthier, more even, and radiant skin. The protocol includes cutting-edge active ingredients and technologies.

- SkinPen Precision® Microneedling

Mechanically stimulates the skin surface of the face, neck, décolleté, and back of the hands without any pain. It can be used as a preparatory step for the application of exosomes.

- Exosomes

Stem cell extracts, the main messengers between cells, responsible for cellular communication and regeneration. They keep cells young and healthy, acting as a glow and collagen booster.

- Polynucleotides

Highly purified DNA fragments, powerful allies against skin aging. They restore tone, plumpness, and luminosity.

- Hyaluronic Acid

A key component of our skin's matrix, integrated painlessly for deep and long-lasting hydration without any volumizing effects.

- Chemical Peels

Controlled exfoliation to reactivate cell turnover, balance sebum production, smooth texture, and correct skin discolorations.

Advanced Aesthetic & *Regenerative Anti-Aging Therapies*

ADVANCED NEW SKIN

da € 500

Fractora Contoura™ is a medical treatment that uses fractional radiofrequency to deeply stimulate skin renewal and collagen production. It visibly improves skin quality by refining texture and reducing the signs of photoaging. The skin appears firmer, more even and smoother. Indicated for dyschromia, enlarged pores, scars (including acne scarring) and signs of ageing, it is a targeted protocol designed to restore healthier, regenerated skin.

REMODELLING

from € 500

Tissue regeneration with fibroblast stimulation to produce collagen and elastin. Painless and immediately effective, these hybrid complexes of low and high molecular weight hyaluronic acid provide deep hydration, skin remodeling, and more tone.

REGENERATIVE MEDICINE

from € 900

To deeply regenerate the skin and tissues, stimulate natural biological processes, awakening the skin's potential and promoting authentic, visible, and long-lasting rejuvenation. Advanced treatments designed to harmonize and preserve the uniqueness of every face.

- PLLA (Poly-L-Lactic Acid)

A biomaterial with a powerful regenerative effect on treated tissues, visibly improving skin quality and promoting global tissue regeneration for natural skin rejuvenation.

- HaCa

A biostructuring agent with a densifying effect, ideal for improving skin density and texture, restoring firmness and luminosity.

Advanced Aesthetic & *Regenerative Anti-Aging Therapies*

EYEBROWS LIFT

from € 700

A non-surgical procedure to lift relaxed eyelids and define the eyebrow arch. One session, painless, for an immediate lifting effect and a fresher, more relaxed look.

MAN POWER

from € 1100

Ultimate facial harmonization for men, with greater definition of features, painless with an immediate, natural, and long-lasting effect.

LIP DEFINITION

from € 600

Hydrate, define, harmonize volumes, and enhance the smile for an elegant, natural, and never artificial result. Painless, long-lasting injectable treatments to highlight the authentic beauty of the lips.

RINOSHAPE

from € 600

Redefining the nasal profile, both in frontal and lateral projection. A perfect combination of different techniques in a single session, with no surgery, no pain. Immediate, harmonious, and long-lasting results.

Advanced Aesthetic & *Regenerative Anti-Aging Therapies*

HANDS OVERLAP

from € 900

Look at your hands!

An overlap technique designed to restore lost volume and provide deep hydration. One session is enough to rejuvenate the skin and give your hands a more youthful, well-cared-for appearance.

SMILING AREA

from € 1100

Nasolabial folds, perioral wrinkles, lips, and chin define our smile but often reveal early signs of aging. A combined treatment for an immediate, harmonious improvement of this area, through myomodulation, regeneration, and correction. Painless and long lasting, for a visibly younger and natural smile.

HAIR FORCE

from € 500

Hair also ages. To support, strengthen, and maintain healthy hair, we address a biostimulation with proteins, amino acids, and polynucleotides to keep the hair follicles vital and the hair youthful and strong.

BOTOX POWER

from € 600

Depending on individual aging and mimicry, this "magic" protein provides safe and natural results with a non-surgical lifting effect. It smooths wrinkles in selected areas (face/neck) and creates a "muscle education" that modulates excessive mimic activity.

Advanced Aesthetic & *Regenerative Anti-Aging Therapies*

SHAPING

from € 700

Correct volumes and redefine facial contours with advanced techniques for a more harmonious and youthful appearance. Tailored individually for any aesthetic need, combining technology and personalized care.

THE ULTIMATE V-SHAPE

from € 900

Loved by all celebrities, it's a redefinition of the lower third of the face, from the mandibular angle to the projection of the chin, for a "Nefertiti" effect that lifts and supports the submental area. A painless, long-lasting treatment for a sculpted, natural facial profile.

GEN Z

from € 300

Skin analysis and targeted cosmetic treatments. Treatments to reduce pores size and achieve a "glass skin" effect, as skin boosters and aging prevention.

STOP SWEAT

from € 900

Especially in summer, excess sweating can be very uncomfortable and socially awkward.

Hands, armpits, feet (Louboutin style), and special areas are treated for a long-lasting stop to sweating, providing long-term comfort.

Medical *Services*

HEALTH CONCENTRATES: VITAMIN INFUSIONS

€ 500

Infusion therapies replenish vitamins, minerals, amino acids, or chelating antioxidant agents intravenously in a simple and safe way. The benefits are numerous: optimization of cellular function, reduction of symptoms related to oxidative stress and chronic inflammatory processes, and elimination of substances harmful to the body. A treatment designed to restore vigor, energy, and overall health.

BLOOD TESTS

from € 400

General blood examinations.

FREE RADICALS TEST

from € 300

A blood sample used to evaluate the body's oxidative stress status, antioxidant reserve, quantify the amount of free radicals and identify underlying causes and factors for many clinical disorders.

FOOD INTOLERANCE TEST

from € 350

Blood test for identifying foods to which the body may have developed a sensitivity, potentially causing clinical symptoms, illness, and stress.

Nutrition

DR. GIANPAOLO TANI - NUTRITIONAL BIOLOGIST

Dr. Gianpaolo Tani, an expert in nutrition and well-being, guides our guests toward the ideal balance between diet and health. With a degree in Molecular Biology and specialization in Nutrition and Sports as well as Dietetics and Applied Human Nutrition, Dr. Tani creates personalized diet plans to address a wide range of needs, including obesity, overweight, underweight, pregnancy, breastfeeding, menopause, allergies, food intolerances, and metabolic disorders. With a scientific approach, he also supports athletes at all levels, optimizing performance through tailored nutrition.

CONSULTATION AND PERSONALIZED NUTRITION PLAN

€ 300

Assessment of nutritional status, calculation of basal metabolic rate, and daily caloric requirements.

PERFORMANCE

We believe in the power of visible results. At Capri Medical Spa, our High Performance Treatments combine advanced technologies, expert protocols, and personalized programs to sculpt, rejuvenate, and energize face and body.

From targeted contouring and lifting to deep rejuvenation, muscle toning, and holistic wellness programs, each treatment is designed to enhance your natural beauty, vitality, and overall well-being.

High Performance *Facial*

Advanced Aesthetic Technology By InModeAllure

CONTOURA SCULPT FACE

15 minutes | € 90

Advanced reshaping and redefinition of facial contours.

Handpiece: MiniFX Contoura™ combines bipolar radiofrequency and HPV (High-Pulsed Voltage) technology to act precisely on the most delicate areas: chin, jawline, cheeks, and double chin area. Radiofrequency penetrates deeply to heat fat cells, stimulate new collagen production, and tighten existing fibers. The result is a more defined facial contour, lighter-looking cheeks, and a firmer neck, visible from the very first session. Indicated for: reduction of localized fat in the lower face, jawline contouring, and treatment of double chin.

FORMA COLLAGEN LIFT

30/40/60 minutes | € 130/160/350

Deep rejuvenation and non-invasive lifting.

Handpiece: Forma Contoura™ uses bipolar radiofrequency with a built-in temperature sensor, ensuring optimal stimulation of collagen and elastin in complete safety. It restores firmness, radiance, and compactness to the skin. During the session, the sensation is a pleasant, enveloping warmth. The face appears visibly brighter, smoother, and more relaxed.

Indicated for: skin tone, fine wrinkles, periocular and perioral areas.

High Performance *Facial*

INTRACEUTICALS OXYGEN INFUSION®

60/90 minutes | € 350/490

A non-invasive treatment using hyperbaric oxygen to deliver hyaluronic acid, vitamins, and antioxidants deep into the skin. It intensely hydrates, plumps, and smooths the complexion, reducing wrinkles and enhancing radiance.

DERMALUX® LED LIGHT PHOTODYNAMIC THERAPY

60 minutes | € 280

Innovative technology that uses LED light to stimulate and regenerate the skin. It improves microcirculation and oxygenation while providing a toning, anti-aging, and anti-inflammatory effect. Enhances the effectiveness of facial treatments, leaving the skin healthier, more radiant, and visibly improved.

AQUALAB III REVITALIZING FACE TREATMENT

30/60/90 minutes | € 180/350/460

Innovative treatment that combines 8 different technologies in a single device: hydropeeling, ultrasounds, oxygenation, nano-needling, and cryotherapy for deep skin regeneration. It improves skin texture, stimulates microcirculation, and delivers active ingredients, leaving the skin firm and radiant.

High Performance *Body Treatments*

Advanced Aesthetic Technology By InModeAllure

PERFORMANCE

BODY SCULPT FX

30/60/90 minutes | € 120/195/280

Advanced body contouring and reduction of localized fat.

Handpiece: BodyFX Contoura™ is the first clinically proven non-invasive body contouring technology for both permanent fat tissue reduction and skin tightening. It combines deep radiofrequency to firm the skin with a vacuum effect that helps reduce fat cells. Results are visible from the very first session and continue to improve in the following weeks. Indicated for: localized fat resistant to diet and exercise, cellulite reduction, skin laxity, and contouring of the abdomen, flanks, back, buttocks, thighs, and arms.

TRANSFORM X BODY

30/45/60 minutes | € 150/200/250

Deep muscle toning and reduction of localized fat.

Transform X technology combines the action of bipolar radiofrequency with deep muscle stimulation (EMS) to reduce localized fat, tone muscles, and remodel the skin, all through a single device. Ideal when combined with physical activity, it further enhances muscle definition. Indicated for: muscle definition, deep toning, and remodeling of the abdomen, flanks, back, buttocks, thighs, and arms.

High Performance *Body Treatments*

Advanced Aesthetic Technology By InModeAllure

PERFORMANCE

CELLCONTOUR AWT® TERAPIA STORZ

60 minutes | € 320

A painless acoustic wave treatment that reduces cellulite and localized fat while improving skin tone and elasticity. Ideal for buttocks, thighs, arms, and abdomen.

FORMA PLUS COLLAGEN BODY LIFT

30/60/90 minuti | € 180/300/450

The Forma Plus Contoura™ handpiece uses bipolar radiofrequency with an integrated temperature sensor to safely stimulate collagen and elastin production.

It improves skin firmness, tone and elasticity, leaving the skin smoother and more even. The treatment delivers a gentle, pleasant warmth and is deeply relaxing and comfortable.

Indicated for skin laxity, loss of tone and dull skin, it is also effective in cellulite treatments thanks to its action on microcirculation and lymphatic drainage.

High Performance *Massage*

The Capri Medical Spa loungers are crafted by Lemi, an Italian leader in wellness design, featuring a mattress with the HBS anti-stress system and integrated vibro-acoustic technology. A complete sensory experience that enhances every treatment, restoring harmony to the mind and body.

JUMEIRAH SIGNATURE MASSAGE

60/90 minutes | € 240/300

This treatment helps to realign muscle fibers to release adhesions and tensions. Recommended for fluid retention, joint stiffness and sore muscles.

MUSCLE RECOVERY

60/90 minutes | € 280/370

Fluid and precise, this full-body massage focuses primarily on the back. Using skilled movements and targeted techniques, it helps release overworked muscles from their tense and contracted state. Ideal for relieving pain and stiffness, it stimulates circulation and promotes a deep sense of relaxation.

LYMPHATIC SUPPORT

60/90 minutes | € 230/290

A gentle, rhythmic massage that stimulates and supports the lymphatic system, essential for reducing fluid retention, eliminating toxins, and decongesting tissues. Mindful breathing techniques and the therapeutic benefits of aromatherapy combine to promote a deep state of renewal.

High Performance *Massage*

BACK & SHOULDERS

25 minutes | € 130

A targeted massage to relieve stiffness in the neck, shoulders, and back. It releases tension and promotes deep relaxation.

JUST THE 2 OF US

60 minutes | € 460

A deeply relaxing couples massage. Gentle techniques and aromatic oils enhance endorphin release, providing a rejuvenating and blissful wellness experience.

ADD-ON | FOOT REFLEXOLOGY

25 minutes | € 120

Holistic technique that stimulates specific points on the feet, connected to organs and body systems, to promote energy balance, reduce stress, and improve circulation.

EMPOWER

We believe in creating an oasis of balance and vitality. At Capri Medical Spa, every treatment is a personalized experience, blending intuitive healing techniques with powerful natural formulas.

Our experts will guide you toward the best version of yourself. From restorative massages and mindful techniques to specialized rituals supporting women's health, each experience is tailored to enhance vitality, wellness, and a profound sense of calm.

Advanced Rituals

Body

THE CLEANSING RITUAL

90 minutes | € 320

To Encourage Gut Harmony.

With the intention to move our system into the state of rest and digest, this abdominal massage treatment helps encourage our gut to use the body brush to connect deeply into our body. The aim is to gently stimulate the circulation of energy, lymph, and fresh blood flow to the digestive organs.

THE SLEEP RITUAL

90 minutes | € 320

Ideal for Insomnia & Physical Fatigue.

This ritual was especially developed to guide the mind and body into deep slumber. Soothing, flowing massage techniques and pressure points combined with mindful breathwork help to induce deeper breathing and invite rest in.

Advanced Rituals

Massage

THE GROUNDING RITUAL

90 minutes | € 320

Immerse yourself in a restorative journey designed to reconnect body and mind. This soothing treatment focuses on releasing tension from your back, using gentle, flowing movements that promote deep relaxation. Special attention is given to reflex points on your feet, grounding you completely. It also includes a revitalizing Gua Sha massage for the face and scalp.

THE RESTORATIVE RITUAL

90 minutes | € 320

This regenerating treatment combines a gentle facial massage with the soft Gua Sha techniques, offering a slow and flowing experience that helps reconnect mind and body. Focusing on the face, neck, décolleté, and scalp, it relieves tension and promotes deep relaxation.

A Tribute to Female *Well-Being*

THE COMFORTING RITUAL

90 minutes | € 320

Relief for the 2nd or 3rd Trimester of Pregnancy

Designed for pregnant women. This deeply comforting ritual relieves pain, improves sleep, and induces a profound sense of calm. It is an intuitive and grounding massage designed to soothe and release tired muscles, particularly in the shoulders, back, hips, and lower legs. In addition, the décolleté, neck, head, and face are gently treated, providing a complete relaxation and wellness experience.

THE BALANCING RITUAL

90/120 minutes | € 320/450

Empowering Through Menopause

Designed with women in mind, this hands-on approach to wellbeing is truly holistic. Each treatment commences with an aromatherapy foot bath and breath work and uses Cold Stone Massage Therapy, Gua Sha, Reflexology and Lymphatic Drainage helping to soothe the body during hormone fluctuations. The ritual concludes with an aloe vera body mask, left on the skin for intense hydration and lasting soothing effects.

INTENTION

We believe you deserve rest that nourishes both body and mind. Our personalized treatments help you find joy and tranquility, creating balance and inner fulfillment.

From facial hydration and anti-aging therapies to body sculpting, massages, and wellness rituals, each experience is tailored to your unique needs, creating moments of tranquility and lasting well-being.
