Lesson Planning

- Structured lesson plans will be prepared in advance to support the Learning Campus programme
- Daily lesson plans will align with the weekly theme and learning objectives
- Activities include storytelling, creative projects, learning games and movement sessions
- Lesson plans will be delivered by colleagues with an educational / teaching background

Programme Overview

Morning - 9:00 to 13:00 *

- Structured morning program designed to mimic a school day (9:00 to 13:00)
- Focus on learning, creativity, storytelling and active play
- Daily themes connect activities and creative projects

Afternoon - 14:00 to 18:00 *

- Playful activities centered around relaxation, play-based learning and wind down for the day

* Maximum capacity: 20 children

Learning Space Setup

- Classroom-style setup at Jumeirah Circle (Jumeirah Beach Hotel) to support structured learning
- Tables arranged as learning stations for small group activities
- Dedicated arts and crafts area with accessible art supplies
- Quiet reading corner with books and cushions
- Screen or projector if required for distance learning sessions

Lesson Concept by Age Group

| Age Group | Approach |
|--------------|--------------------------------------------------------------------------------------------------|
| 3 - 6 years | Shorter learning activities, sensory play, storytelling, basic numeracy and creative arts |
| 7 - 10 years | More structured learning tasks, problem-solving games, creative projects and teamwork activities |

From ~5 children per age group, physical segregation recommendable.

Learning Outcomes

- Creativity and self-expression
- Problem solving and teamwork
- Social interactions
- Confidence through presentation and storytelling
- Meaningful engagement for children

Distance Learning (Online Schooling) Support

- Applicable when distance online learning is officially mandated by the Ministry of Education in Dubai
- For children who require support for distance learning during their scheduled online classes
- Parents must provide device, headphones, and login credentials
- Colleagues will provide secondary support to children with Zoom calls and lessons
- Secondary support provided for homework and assignments
- Does not replace actual classes in school and is not a one-on-one tutoring session
- Children of different ages, different schools, different online classes will be seated together

Welcome to Jumeirah Circle!

OIOIOI, a multi-award-winning experiential play museum in Dubai, Jumeirah Circle is more than just a space to explore, connect, and wonder.

It's a space to explore, connect, and wonder. Here is designed to spark curiosity and joy, allowing families to 'just be' and cherish the moments of discovery. Inspired by Jumeirah's pillars of **Global Kinship, Cultural Expression, and Exploration**, this space is a celebration of togetherness, creativity, and boundless possibility.

Step inside, slow down, and rediscover the simple magic of play - together.

How old are you?

Where is home for you?

What is your favorite color?
