ANACAPRI

Capri Palace Jumeirah

Discover the Original Essence of Capri

Hotel Overview

Sitting more than 300 metres above sea level, Capri Palace Jumeirah embodies the Italian *dolce vita* long associated with this exclusive island in the Gulf of Naples. The authentic and unspoilt village of Anacapri sets an impressive stage for the fresh and atmospheric hotel. The air is fragrant with the scent of the sea, which is visible from all vantage points, a rare treat on these shores.

Created by the boundless vision of founder Tonino Cacace, this property represents the authentic Capri style. Framed by arches, vaults and columns, the building is reminiscent of an 18th century Neapolitan palazzo. Capri Palace Jumeirah imparts the utmost serenity, where the spirit is soothed and energised. Surrounded by nature and the picturesque streets of Anacapri, and defined by the peace of the Mediterranean breeze, this luxuriant hub invites one to explore the original essence of Capri. Here, every moment is sensational.
