Festive Flavours.
Familiar Faces.
Moments made to linger

There is something about the festive season that
brings us back to what matters most,
the people we love and the time we share.

Familiar faces gather around the table, favourite
traditions return and stories are shared once
more. By the sea, each celebration becomes part of
the season's story, old traditions remembered,
new ones beginning, and moments that stay with
us long after the festivities are over.

A Little Holiday Magic Festive Afternoon Tea

Celebrate the season with an elegant afternoon tea inspired by festive flavours and traditions. Thoughtfully crafted by our culinary team, the menu features seasonal sweet and savoury delicacies, complemented by your choice of premium teas or freshly brewed coffee.

Set against tranquil coastal views, this leisurely experience is an invitation to slow down, reconnect and enjoy time together. From the first delicate bite to the final sip, thoughtful details make every moment one to savour.

A warm, intimate photograph of a family decorating a Christmas tree. A man with curly hair and a mustache is on the left, smiling as he holds a large white ornament. A young girl in a red dress is in the center, looking up at the tree with an open mouth. A woman is on the right, partially visible, also smiling. The tree is covered in lights and ornaments, creating a bokeh effect in the background.
