- Core exercises build strength and stability in the midsection, improving posture, balance, and overall performance
- A mobility session enhances flexibility and joint range, promoting faster recovery and injury prevention
- Hypervolt sessions with theragun devices ease muscle tension, boost circulation and recovery

A high-intensity class designed to challenge endurance and strength. Combines functional movement, agility, and cardiovascular training to energise and empower.

ZUMBA

A joyful dance-based workout blending Latin-inspired moves with high-energy music. Boosts cardio, coordination, and mood in a vibrant setting.

BOXFIT

A boxing-inspired fitness class combining interval, circuit, and functional training. Builds endurance and teaches fundamental boxing techniques while boosting cardio performance.

MEDITATION AND BREATHWORK

Meditation calms the mind, reduces stress, and improves focus. Breathwork enhances relaxation, oxygen flow, and emotional balance. Together, they boost mindfulness, recovery, mental clarity, and overall well-being

ASHTANGA YOGA

A dynamic sequence rooted in traditional breath-led movement. Builds resilience, flexibility, and inner focus through structured postural flow.

CHAIR PILATES

A graceful Pilates session using a chair for support and alignment. Enhances posture, flexibility, and mind-body connection in an accessible format. A strength-based class built around tempo and form. Focuses on muscular endurance and core activation with refined technique.

POWER PLATE

An efficient full-body session that harnesses vibration technology to elevate strength, flexibility, and overall wellbeing.

J PUMP

A barbell-based workout focused on high-rep strength training to tone, build endurance, and leave you feeling energised.

VINYASA YOGA

A dynamic, flowing practice that links breath with movement, Vinyasa Yoga builds strength, flexibility, and focus. Each sequence is fluid and energising, designed to leave you feeling balanced, grounded, and renewed.

MAT PILATES (50 MIN)

A 50-minute floor-based workout targeting core strength, posture, and muscular tone. Props such as fitness circles, soft balls, or light weights may be used to deepen the practice. Open to all levels.

GLUTES & CORE

A targeted session designed to strengthen and sculpt the glutes and core. Builds stability, balance, and a refined physique.

A rhythm-driven cycling session built around power intervals and athletic flow. Distinct from traditional RPM formats, offering a fresh take on indoor riding.

J CONDITION

J Club's signature circuit class combining strength, cardio, and functional training for a full-body workout that boosts endurance and overall fitness.

STICK MOBILITY

A mobility-focused class using resistance sticks to enhance posture, range, and control. Supports deeper movement and structural alignment.

HATHA YOGA

A slower-paced, alignment-focused practice that introduces foundational yoga postures with mindful breathing. Ideal for all levels, Hatha Yoga enhances flexibility, posture, and mental clarity.

REFORMER PILATES

A refined, full-body session using the reformer machine to enhance core strength, joint mobility, and posture. Designed to support balance, stability, and overall alignment.

BURN

A focused cardiovascular session designed to increase heart rate and burn calories effectively in a time-efficient format.
