

A photograph of an outdoor dining area at sunset. In the foreground, a circular wooden table is set with white plates, folded napkins, and several wine glasses. The table is surrounded by a curved wooden bench with white cushions and blue patterned pillows. A large, gnarled tree stands to the left of the table. In the background, more tables and chairs are visible, along with large patio umbrellas and a building with a wooden facade. The sky is a warm orange color.

ILIĀNA

About Iliana

Magically suspended between blue skies and the azure sea, Iliana is a sultry beachfront retreat set against the breathtaking splendour of Jumeirah Marsa Al Arab. Inspired by the effortless magic and culinary traditions of the Greek islands, the restaurant and rooftop are the epitome of life by the ocean.

Iliana is a place that embodies the simplicity of life; where laughter flows easily, memories are made, and being together at this moment in time is all that matters.

Savour the sun-kissed spirit of Greece, a celebration of life's simple pleasures

Ilina celebrates the essence of Greek and Mediterranean cuisine, where simplicity, freshness, and sharing define every meal. Highlights include the Greek Grill and a fresh seafood display, featuring premium ingredients and seasonal produce crafted to evoke warm Greek hospitality and the coastal spirit of the Mediterranean.
