A Culinary Journey Inspired by Oman's Maritime Heritage

Long before borders were drawn, Oman was not a crossroads by accident, it was a nation of navigators, shipbuilders, and traders. From the ports of Sohar, Sur, and Muscat, Omani sailors followed the monsoon winds across the Indian Ocean, linking Arabia to East Africa, Persia, the Malabar Coast of India, and as far as Canton.

The sea was their highway.The wind their compass and spice their language. Frankincense from Dhofar, cloves from Zanzibar, cinnamon from Ceylon, cardamom from India. Each voyage carried more than goods. It carried techniques, preservation, and culinary exchange that shaped the coastal cultures of the Gulf and beyond.

Today, Omani cuisine continues to evolve, honouring its heritage while embracing new ideas, techniques, and perspectives. This menu reflects that spirit: classic flavours reinterpreted, regional influences refined, and maritime traditions expressed through a contemporary lens.

A journey shaped by history. A cuisine moving forward.
